

# PHP Developer, Dublin

Based in STILLORGAN - DUBLIN SOUTH COUN

Ref. JOB-860261

## Description

Working exclusively in the hotel sector, Net Affinity is rapidly expanding its business across Europe providing specialist reservation and booking engine systems for independent and group hotels. Our business is managed by a creative team of developers, designers and marketers whose ideas and enthusiasm spur us on to deliver a high service level that delights our customers. We believe in a warm, friendly working environment that is inclusive and tolerant and fosters idea generation from a happy crew. The role is for a candidate with PHP 5, MySQL & Postgres experience with the opportunity to join a cohesive team in a pleasant work environment. You will work as part of the Web Development team having exposure to a range of proprietary products. You must hold an IT degree or equivalent and have a minimum of 2 years post graduate commercial experience with the following: Expert level PHP knowledge, Experience in MySQL, PostgreSQL & Database Design Experience.
